## Gopher Highlights:

The District Board has a dinner meeting this afternoon. On the agenda is a proposal to hold the finals for the Championship Flight of the GNTs concurrent with the 2<sup>nd</sup> 4 session KO at the Gopher regional in hopes of building the table count for both tournaments. The motion is scheduled for discussion without a decision. Next year’s GNT district finals will be in Des Moines where a big turnout is expected.

The top bracket in the second 4 session knockout was won by the team captained by Bill Kent with his regular pard Peg Kaplan and the father-son duo of Vern & Monte Evans.

Some guys named Ranaldi and Koch found a way to repeat: first overall in the Lorraine Schweitzer Choice Pair event. Maybe we should all take in John’s I/N mini-lesson tomorrow. We might learn how to win more often!

*Calling*  
**District Board Reps**  
 Report directly after the afternoon session to the Board Meeting in the Winnebago/Yakima Room.

### Bidding Commentary:

Bleeding Imps in the second half of a match where a good sized win is important, because of a three-way team pairing, North upgrades his 4x1 hand with great trumps. South shows a spade control hoping to hear about the Club A, then launches Key Card and finds himself in slam.

The opening lead is a club to the bare A. Your RHO wins the HA at trick 2 and returns the HT.

Are you up to the task? What is your next play and why? NO PEEKING!!!

<http://www.kantarbridge.com/humor.htm>

I have been involved in more than my share of card combination mixups.

Here are two of my finest:

North (dummy)

♠ 10976

West (moi)

♠ K32

East (Mike Lawrence)

♠ Q84

South

♠ AJ5

Defending notrump with declarer having denied a four card major, I elected to lead the deuce of spades. Dummy played low and Mike stuck in the eight losing to declarer's jack. Later, on lead, I decided that declarer might have started with AJ doubleton so I led a second low spade. When declarer played the ten from dummy, Mike played low thinking that I had led from Kxxx and that declarer had AJ doubleton. Guess what? We didn't take a single spade trick and declarer took four!

## Bridge at the Top

Philip Alder, Articles Editor for The Cavendish Invitational wrote up this hand honoring the winning pair of Steve Weinstein and Bobby Levin who won the Calcutta for the 4<sup>th</sup> time in eleven years. The Cavendish website, is a treasure trove of interesting bridge hands: <http://www.cavendishinvitational.com/2009/FIN/ALBULL2009.pdf>

In the final bulletin, we must give pride of place to the runaway winners of the Cavendish Invitational Pairs, Bobby Levin and Steve Weinstein. This was their favorite deal, from the fourth session, which had strong elements of poker, a game at which both Weinstein and Moss excel.

Fred Gitelman led the heart six, declarer ducking South's queen. Brad Moss shifted to

the diamond eight, which ran to dummy's ten. Now Weinstein called for the spade queen and South played low smoothly! He was confident that if he won the trick, declarer would have five spades, one heart, two diamonds and one club.

Now declarer played a diamond to his ace and led his second spade and ... you guessed it ... went up with dummy's ace, dropping South's king.

Weinstein then turned to Gitelman and said that if he held the club king, he was going to be squeeze-endplayed in the rounded suits by the run of the spades. Being brought down to four cards, if Gitelman kept king-doubleton in hearts and clubs, West would play the ace and another heart, forcing a lead away from the club king.

So, not only did Weinstein earn 212 imps, he would also have shared a top in a matchpoint event with Jill Meyers, who also took 11 tricks in a similar fashion.

When in any contract, but particularly games and slams you want to count your winners and see if you can get to 12.

With hearts breaking you have a club ruff in dummy, therefore you can see 3 top spades, 2 diamonds on power, 2 clubs + ruff in dummy, and 3 trump tricks as you pull trump. That's 11. Where is the 12<sup>th</sup>?

You're looking at all the hands, so you see that the club Q isn't falling third. But the diamond position is oh so favorable.

If you took a diamond finesse after winning the second heart in dummy you win 11 imps. You can cash your 2 spade winners, ruff a club in dummy, pitch your diamond loser on dummy's spade King, ruff the diamonds good, and use the carefully preserved HJ as the entry to the now good dummy.

If you shortsightedly pulled the third round of trumps at trick four you robbed dummy of the key entry to the fourth (good) diamond when the suit breaks 3-3 with the K onside.

Not a good slam by any means. Did you make the play?
